

The 29th International Conference on Neural Information Processing (ICONIP 2022)
IIT Indore, India, November 22 - 26, 2022 <http://iconip2022.apnns.org/>
Jointly Organized by IIT Indore and IIIT Allahabad, India

The International Conference on Neural Information Processing (ICONIP) is an annual conference that brings together researchers from different countries in the fields of pattern recognition, neuroscience, intelligent control, information security and brain-machine interface to exchange ideas and discuss possible collaborations. ICONIP is the annual flagship conference organized by the Asia Pacific Neural Network Society (APNNS). The 29th ICONIP 2022 is jointly organized by Indian Institute of Technology Indore, India, and Indian Institute of Information Technology Allahabad, Prayagraj, India to provide a leading international forum for researchers, scientists, and industry professionals who are working in neuroscience, neural networks, deep learning, and related fields to share their new ideas, progresses and achievements. ICONIP 2022 will be held at IIT Indore, India during November **22-26, 2022** (in virtual mode).
